Tell about your Family and your Years of Growth :

My father has 21 cows and one bull and 3 castrates. But only 3-5 cows a year deliver a calf and is giving milk, so he is not rich. We have only little farmland as we live near pasture. As my parents have only two children the have afforded to send my sister for school, but to make it economically possible for me, the did send me for a lodge in Chaundrikharka in Pharak to be a servant there while attending school.

Tell about Your Situation Now :

I have now been in Chaundrikharka for 1½ years now. The man of the house is very nice to me, but the housewife is always crying at me, asking me to work so hard all the time. I will only have little time to do my homework, and often I am late for school. So now I have been waiting in Phaplu to find work as a porter, and I was lucky to join Papa and Mummy for 3 weeks. For the money I earned there I will now move to Okhaldunga and rent a romm and then study there. I will never go back to Chaundrikharka.

Tell about Your Plans for the Future (Long Term) :

I will finish my 10 class in Okhaldunga. Thereafter I will join the Campus in Salleri up to 12. class. After that I will see what the future brings and what my donor decides. I like the trekking so maybe I can be a trekking sardar. But if possible, then I can also be a teacher. In fact I can do everything, so what will happen, let's see.

Remarks of Administrator :

Danu joined us for 3 weeks on our visit in Solu this year. He was the only employed who stayed with us for so long time. But we couldn't imagine not to have him around. He is an extremely nice boy, so helpful and always with humor and smile, even when exhausted. He is speaking a very nice english even though he is only in 7. class. And he really can do everything and even quickly. He is too god for trekking business in future, but give him the opportunity and he will fulfill with excellence. Our best recommendations for Danu to join the future of Nepal.
