 14 years ago I was born in a very deprived family. The financial problem that was in my family made differences in my father and mother relationship. When I was seven month my father disappeared without informing, leaving my mother and me alone. Since the day he has not come into contact with us. Then after the family responsibility was all on my mother. After the incident we went to stay at my paternal Uncle's house but from there we did not have any financial support. We were only given small room to stay. My mother use to earn some by doing temporary work as a living source. And from what she earned, she use to give first priority for my school fees and stationeries because she knew that I was very interested in studying since from my childhood days. In future I have aim to become a doctor and have a desire to look after those deprived and who needs cure. And the earning left besides paying for my education expenses remaining is used for our living purpose. But the situation is getting worse and worse these days because my mother is jobless and she does not have any means of income source. These days she is been maintaining by asking support from those who she knows. I hope that Himalayan Project with the scholarship support will help in fulfilling my aim of becoming a doctor.

## ALONE

From childhood's hour I have not seen as other were,  
I have not seen as other saw  
I could not bring my passion from a common spring;  
From the same source I have not taken

My heart to joy at the same tone;  
And all I loved, I loved alone.  
Then, in my childhood, in the dawn of a most tour my life was drawn  
From the torrent, or, the fountains

From the red cliff of the mountains  
In its autumn tint of gold,  
From the lightening in the sky  
As it passed me flying by  
From the thunder and the stormy,  
And the cloud that took the from  
(When the rest of heaven was blue)  
Of a demon in my view
