10) Write about your Family situation in the PAST (write some interesting story about applicants life):
 Our family was a small and happy family in the past but as the year passed, my mother gave birth to many children Year after year and our family income didn't grow. When our family size became very big, the income our parents make from yak every year became too less for the family. So they started loaning from other just to meet the family daily expenses. After few years our family became so poor due to the loan my parents took. So my brother went to Saudi Arabia with the hope of earning money to support the family, unfortunately, he has been employed by bad company and is paid very low salary which is even not enough for his own living there. So family condition has become poor bad and we have a hard life now.
