He just game first terminal exam of class two, He is attending school every day and doing good in school.

Parents are farmer; they work their framing in others land. Economic situation is same as before, not improved.

Lhakpa Doma Tamang -166

Class 4

She is attending school every day and doing well in school. She stood in second position among 6 students in class three.

There are no changes in her family; parents are farmer working on others land.

Pasang lhamu Tamang-116

Class three

She is attending school every day and doing satisfactory. Ashe passed in second position in class two.

No thing is changed in her family situation, Mother is working as a farmer and father is working for other as a porter, stonebreaker etc.

Ngima Gyalzen Tamang - 089

Class two

He passed class one in first position. He is attending school every day and doing excellence in class two.

He is living with his grand parents since his parents are living in sivalaya. Father is a porter and mother has been running small teashop but they have no good business.

Sanju Tamang -198

Class Three

She passed in class two with second position in class two. She is doing well and her attendance in the class is very regular and punctual.

No thing has been improved in her family; Mother is working on others land as a farmer for others and father is a porter carrying a load from jiri to Namche for others to maintain the family. Beside that they don't have any job to do. They are land less.]

Suka laxmi Thami -088

Class six

She is attending school every day and doing quite well, but last year exam, she failed because she had been sick last year when exam was going on. So due to this she failed an exam and repeated the same class in this year but this year she is doing quite fantastic.

No change has come in her family, parents are farmer working on others land for other. They still don't have their own land. Suka has one younger brother and one younger sister, her brother is studying in class four in chhimbu school and sister is too you to go to school, she is only three and half years old.

Buddi Bahadur Thami -072

Class Six

He is studying in sagar Bakanje School. He is regular and punctual student of sagar Bakanje School. He had passed class five with forth position. He is doing quite well in class six.

Their situation is very miserable; Parents are working for other to get the food. That is the only way for them to do to run the family.

Suku Maya Thami -196

Class one

She is attending school every day and doing well.

Parents are working for others; it is the only way to make income for her family. Her bother Buddi Bahadur Thami is also getting scholarship form HP, who is studying in Bakanje in class six. She has an elder brother som bahadur who is not studying. She has a four-year brother who is too young to go to school, but she has six-year younger sister who is studying in class one in Chhimbu School.

Samjana Thami -030

Class 7

She is attending school every day and doing well. She passed class six with just pass division but doing quite good in class seven.

Samjan's father some time use to be carpenter job and some time porter but mother is farmer. Samjana has three elder brothers among them third elder brother is studying in same school in same grade and eldest got married and separated with family. She also has two elder sister among them eldest had got married.

Lhakpa Gyalzen sherpa -168

Class 9

He is studying in Chaula- Kharka School. According to him he had passed class eight with good marks and was doing well in his study. His brother Mingmar Gyalzen sherpa is also gets scholarship from HP.

Parents are farmer, though they have their own land they can't produce sufficient food for the whole year, so some times father has to work for other as a porter stone breaker and stone maker to run the family.

Mingmar Gyalzen sherpa -057

Class seven

He is studying in Sagar Bakanje School. He is attending school regularly and doing well.

He stood pass division in class five in Chhimbu School

Parents are farmer, though they have their own land they can't produce sufficient food for the whole year, so some times father has to work for other as a porter stone breaker and stone maker to run the family.

Sonam sherpa -032

Class Nine

He is studying in Chaula-Khardka secondary school. He passed class eight with just pass marks. According to himself he is going to school every day and doing well.

Parents are very old to work on field. Sonam has two brothers and one sister. All of them are not studying. They are working as a farmer. Parents and other family members are surviving on them.

Dorje Tamang -171

Class Two

He is studying in Dakchu School in class two. He passed class one with satisfactory marks. He is goes to school every day and doing well.

Las year he was very dirty and lot of wound around his body but this time he is so clean, he is with clean dress and there is no dirt and wound around her body

Still he is under the taking care of his grand parents but now they are too old. Still his father whereabouts is unknown. So their situation is very worse.

Ang Ngawang Sherpa -074

Class Ten

In SLC he failed with two subjects but he got chance to give exam of those subject and he already gave exam for those subject.

Parents are farmer, though they have land but it is unproductive and they can't produce sufficient food for whole year. So father some time has to work as a porter.

Ngawang Lhakpa Sherpa -093

Class 5

He is attending school everyday and doing well in his study. He passed class 5 with just pass division.

His Father Danu is working in Saudi Arab. He has been there for four months. His mother is farmer. Nwang lhakpa has one elder brother who is monk in Selo monastery. He also has two younger brothers; one of them studying in class seven, the youngest brother is too young to go to school.

Sonam Gyalzen Sherpa -194

Class 6

He is attending school everyday and doing well. He passed class with passé division.

Mother is farmer. Economic situation has not been improved. Sonam Gyalzen has one younger sister; she is also going to school everyday.

Nima Puti sherpa -167

Class 2

She is attending school everyday and doing well. She passed class one with good marks.

Parents are farmer, they can produce the food for whole year but there is problem of money with buying cloths and educational materials for their children education.

She has one younger sister and one youngest brother. Younger Sister is studying in Chhimbu School and youngest brother is only two and half year.

Sonam Dolma (her name in the application was mistake now is corrected)

Class three.

She is studying in Phungmuche School. She has been admitted there for five months. Her father admitted her in Phungmuche because it was difficult for her to go up and down to school in chhiring Kharka as she is not able to do. And also there were 25-girl scholarship cotta in Phungmuche School, her father had taken her there with hoping to get a chance for her but as they were already full she didn't get a chance, however lama has provided a room and food. For that parents have to pay 3000 a year + exam fee. Beside they have to provide Cloths, shops and tooth brash etc themselves.

About her study, she was doing well in Chhiring kharka but Phungmuche she haven't had any exam so far but in class she is doing well.

About girl character; She is very nice girl, frank and friendly, she wants to be a friend of everybody but as she drops saliva from the her mouth and getting dirty, the friend want to be far from her.

Reports from Dorte Just

29/7-06

98 Nawak sing Rai : han klarede ikke sin eksamen i math, men er igang med at forberede den igen og vil vaere faerdig snart, og foer jeg rejser. Han vil gerne starte 11 klasse straks derefter og helst science, men er usikker paa om de vil acceptere det, fordi han ikke bestod math. Ogsaa selvom han bestaar nu.

Han virkede ikke naer saa sikker paa sig selv, som sidste aar, naermest lidt nervoes.

Han bor hos sin soster, som gerne seer, at han flytter, fordi hun keder sig og gerne vil giftes.

Aftalen er, at Nawak og jeg snakker sammen efter hans eksamen, hvilket sikkert passer med, at jeg er hjemme fra Solu.

189 Pemba. er ved at afslutte sin computerklasse, og saa snart han faar sine papirer, afleverer han dem til praktiti.

191 Lama Phuri Lama vil aflevere sine skolepapirer, saa snart han faar dem, forhaabentlig foer jeg rejser.

Han bor hos sin onkel, som indirekte havde sendt et signal om, at han skulle flytte.

Lama har sit eget vaerlse, og de ville bruge det som gaestevaerelse.

Lama siger selv, at han er stille og rolig og ikke til gene for nogen.

Han mente, at han var god til at maile til sin donor.

Vi lavede dog en aftale om, at han skulle sende en mail hver maaned og fortælle in donor ganske kort, hvordan det gik med studierne, og hvad han laver af interessante ting ioevrigt.

117 Shanta har faaet flere penge af sin donor, havde eksamenspapirer med.

Hun klarer sig godt. Hun faar 3000 RS fra VC til computerkursus.

Hun har inviteret mig paa frokost, naar jeg kommer fra Solu. Jeg tror, der var noget hun ville snakke om i mere private omgivelser.

33 Sumitra. En utrolig forandring fra sidst, hvor hun var meget genert. Hun snakkede meget frit, var glad og alt gik glat for hende. Hun har faaet VC penge en gang til computerkursus. Hun fik tilbudt fortsaetter kurset. Det ville hun gerne. Sagen er, at hun 2 gange har skrevet til sin VC donor en tysk turist, jeg moedte her, og han er saa glad for hendes mails, at han har bedt mig spoerge, om hun havde brug for et kursus mere. Han skriver kun paa tysk, saa han svarer hende foerst, naar han selv har taget et engelsk

kursus. Ikke betalt af vc!!!

Sonam Dawa. har haft nogle maveproblemer den sidste maaned, men mente at det hele gik ok. Han skal vaere far til oktober, troede han nok.

Maaske skulle jeg snakke lidt mere med ham, han virkede ikke helt glad .
Rinji (bror) saa undrende paa mig, da jeg spurgte til Sonams helbred, han mente bestemt ikke, han var syg.

31 Rinji Furwa: Han bestod ikke i engelsk, tager det om. ellers var alt andet i orden. Han bruger noget tid paa at tage til Bakanje og hjaelpe sin far med landbruget.

161 Kalden Doma, faar superhoje karakterer og udmaerkelser. Hun er desuden en dygtig sportspige. Hun tog mig med ud til en lille svoemmepoel, saa jeg kunne se hendes kundskaber i vand.

Der var en del af hende klassekammerater der ogsaa, og det var helt klart, at hun ogsaa scorer paa det sociale.

Paa vej derud fortalte hun, at hendes mor faktisk havde drukket naesten et aar. Kalden havde saa sagt til hende, at hvis hun ikke stoppede drikkeriet, ville hun holde op med at studere.

Siden da, har hun ikke drukket, og det er en maaned siden nu.

150 Pasang Diki Rai. Det herlige lille pigebarn klarer sig vaeldig godt. Soesteren Tsering , som har faaet VC kursus og har klaeret det flot, faar fortsaetterkursus. Gid vi kunne en donor til hende. Hun vil kunne faa en god uddannelse, tror jeg.

73 Rinji Lama er gaaet igang med advanced engelsk kursus 1 time om dagen, et 3 maaneders kursus. Han har meget svaert ved engelsk, men har mod paa at arbejde haardt for at blive bedre.

Jeg har bedt ham ogsaa maile til donor en gang hver maaned og vel at maerke goere det uden hjaelp. Donor kan saa selv danne sig et billede af niveauet.

Intet nyt om 70 Lhakpa Sherpa ud over, at han er i Junbesi. Han har en del penge efterhaanden paa sin "konto". Forhaabentlig har han taenkt sig at fortsaette studierne.

Jeg vil nok moede ham i Junbesi.

Intet nyt om 101 Chhiring nuru Lama, men forhaabentlig ser jeg ham i Solu.

154 Pendu Lama Jeg har endnu ikke haft tid til snakke med hende.

36 Chhiring Nuru sherpa.: Det forlyder, at han stadig underviser paa skolen ved klosteret naer Mopung. Saa maaske skulle vi lade pengene staa, indtil han vil fortsaette sine studier!

Jeg skal snakke med Phurwa og Lhaku, saa mere om dem efter Solu.
Det var dejligt at se de nye 207 Pasang Urken og 195 Neema.

103 Champa Sherpa.: De var ret skuffede over at donor havde stoppet betalingen. De vil maile til hende.

10/8-06

Lama Puri udfylder et budget skema, som jeg snakker med ham om, inden jeg rejser. Vi blev enige om, at det var en rigtig god ide, at han bliver boende hos onkelen et par aar endnu.
han har faaet rigtig gode karakterer.

70 Lhakpa Sherpa

Han er nu flyttet til KTM og bor hos familie. Han er igang med at finde uddannelsessted, og er blevet bedt om at udfylde budgetpapirer. Han har mulighed for at traekke paa Namgyel, hvis han har sporgsmaal. Han er ret forsigtig. Han er indstillet paa at de penge, der staar til ham nu skal raeke langt. Saa vidt, jeg kan se, er der ikke overfoert til ham siden april, saa han har lidt opsparing, men det er ikke et stort beloeb han faar i scholarship. Lad os se, naar han kommer med skemaet.

37 Sonam Dawa. Konen har opgivet sit tehus. Svigermoren er rejst til Solu og Sonam er skiftet til en government school som er billigere. Han skal jo snart vaere far. Han har faktisk ikke selv fortalt om sit skoleskift.

Pendu er gjort bekendt med, at hvis hun ikke studerer, kan hun ikke faa scholarship. Hun er paa vej til at rejse til udlandet. Grejsen skal vel have besked.

Nawak kontakter mig, naar han ved hvordan hans eksamen er gaaet. Hvis han ikke bestaar med en meget flot karakter, saa bliver han noedt til at skifte fag/retning.

Pembas papirer viser, at han har bestaaet basic computer course, og at han har completed intermediate course in english with good performance.

Efter moden overvejelse og korrespondance med 101 Chhiring lama, har jeg besluttet at stoppe hans scholarship.

036 Chhiring Nuru ny

er stadig laerer i Phungmuche Buddhist secondary school. Han vidste ikke, at han havde faaet en donor.

Han har en bachelor, men stoppede, fordi, han indtil da havde et scholarship fra Himalayan Trust, som giver scholarships til de bedste elever, men kun i

en tidsbegrænsede periode.

Han har nu undervist i en periode givet lidt penge til forældrene og sparet lidt op også..

Han vil med dette nye scholarship starte pr november på TU. Han har ingen familie, han kan bo hos skal ud at finde et værelse, men mener, at han med sit scholarship, og det han har sparet op, vil kunne klare dagen og vejen.

Han havde simpelthen tårer i øjnene, da det gik op for ham, at han nu havde muligheden for at fortsætte sin uddannelse.

Jeg tror, han er en af dem, der vil tage tilbage til Solu efter endt uddannelse.

171 Dorje Tamang.

Solstrålen. I Chhimbu kom der en glad charmerende, køn dreng sammen med en tudsegammel bedstemor. Namgyel fortalte mig, at det var selvsamme dreng, som i efteråret kom sammen med den gamle bedstefar og som havde sår i hovedbunden, så han så sad fast. Han der fik penicillinsalve til sine betændte ører og som så ret så forsoemt og forknyttet ud.

Han havde hår på hovedet var renvasket, havde ikke et eneste sår, storsmilet. Han går i skole hver dag siger Jangbu. Han ville selv skrive under på kvitteringen, så han øvede sit navn sammen med Jangbu indtil han kunne printe det bogstav for bogstav på kvitteringen.

Toejet var hullet og beskidt, men hvad.

Senere besøgte Namgyel familien, som bor på vej til Sete. Så meget glæde. Herligt.

181 Purni Maya ny.

Hendes mor døde for nogle år siden. Hun var syg, faren kunne ikke skaffe penge til at bringe hende på hospitalet, så hun døde.

De havde 7 børn. Faren giftede sig igen og fik to børn.

Namgyel og jeg besøgte familien og forklarede, at pengene skulle sikre at Purni fik en stabil skolegang, vi så gerne, at hun flyttede til hostel i Cheeding.

Som situationen er nu, arbejder hun for andre og sommetider passer hun de mindre børn.

3 af deres børn er i Phungmuche boarding school og bliver betalt for at Annalise.

Namgyel fik på det bestemteste fortalt dem, at nu var det slut med at få flere børn. Først grinede de lidt generte, men de gik med til at det var bedst. Den nye kone var kun 22 da de giftede sig, så hun er jo stadig temmelig fødedygtig.

Jeg ved ikke, hvad Namgyel fik forklaret, men de forstod det.

Purni var saa lykkelig og taknemmelig. Allerede samme dag, havde hun skrevet brev til donor og lavet den flotteste tegning.
